

Are You?

...currently running
a Writing Center?

...interested in starting
a Writing Center?

...wondering if a Writing Center
might support the goals of your
educational institution?

Fall Symposium for Middle East Writing Centers

Organized by the **Q**atar **W**riting **C**enters **N**etwork (QWCN)

A Writing Center can play a key role in the writing program of any educational institution by drawing on tutorial expertise from instructors, professionals, students, and alumni to create a collaborative learning environment, while supporting the advancement of writing as a discipline.
